Alternativer Text *Alternate Lyrics* *by* JEFF GUILLEN

GEMEINDE: Gott wird ein Kind, will Freund uns sein.
Drumm machet die Herzen weit, kommt, lasst ihn ein!

REFR.: This child my Lord and savior is. / This child who came from God. /
The King of kings salvation brings, / A chance to heal the world.

1. There was a time the world was dark / From clouds of hate and fear. /
Then came a light into our night / And shadows disappear.

2. Now I will sing like shepherds did / About that gift of God. /
Come, let us praise, our voices raise / To sing of joy and hope.

BRIDGE: This child my Lord by God was sent, / Was born to set us free. /
With gifts of life, He sacrificed / From manger to a tree.

REFR.: This child my Lord and savior is. / This child who came from God. /
The King of kings salvation brings, / A chance to heal the world. /
The King of kings salvation brings, / A chance to heal the world. /
(Solo) The King of kings salvation brings. / Come, help to heal the world.
